

GO GRILLING AND RAISE FUNDS!

HELP RAISE FUNDS FOR YOUR ORGANIZATION!

Chef Mike's Charcoal Grill is a proud supporter of our community and the people and organizations within it.

Our goal is to help make this community the best place to live, work, play and dine. We believe in making a positive impact to help build a stronger community.

On the day of your event, Chef Mike's Charcoal Grill will donate 10% of all food & non-alcoholic beverage purchases from any guest that presents this fundraising ticket. If your group reaches \$1,000 in sales, we will donate 15%!

Fundraising Opportunities for your Organization

How it works:

- Your organization will reserve a designated date for the fundraising.
- Your organization will receive a creative flyer template for the fundraiser. You will be responsible for printing and distributing the flyer regarding your Fundraising Night. We recommend printing at least 500 copies for distribution.
- Every time a guest brings in the flyer on your designated day, we will donate 10% of their food purchase back to your organization. This does not include sales tax, tip or promotional discounts. This also does not include the purchase of alcoholic beverages!
- If your group reaches \$1,000 in sales, we will donate 15%!

We look forward to helping your organization meet its financial goals.

Together, we can make a positive impact and help keep our community strong!

"A family restaurant right in your neighborhood!"
